

I am a brilliant artist
I always stay in the line
Threads of my water
painting a canvas
every inch of my chose

I am an infinite amount of colors
Blue as the heavens
Black as the dead of night
And everything in between

I never erase
My work is perman
It makes an everl
Never faded
Never forgotte

I can be as ge
as a sweet m
But I can ch
in less than

My life is as
And I never

I am a river
